1. warning:

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

2. Class B digital device or peripheral or cordless phone Note:

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Shielded USB cables with ferrite ring must be used with this unit to ensure compliance with the Class B FCC limits.

Attached shielded USB cables with ferrite ring must be used with this unit to ensure compliance with the Class B FCC limits.

Attached shielded AV cables with ferrite ring must be used with this unit to ensure compliance with the Class B FCC limits

- Consult the dealer or experienced radio/TV technician for help.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Increase the separation between the equipment and receiver.
- Reorient or relocate the receiving antenna.

For Australia Customers Only
Return faulty camera to the Refund Counter at the store where purchased.

4020 Middlemarch Business Park
Coventry, CV3 4PF

This warranty covers the original consumer purchaser only and is not transferable. Products that fail to function properly UNDER NORMAL USAGE, due to defects in material or workmanship from other than normal use, including but limited to repair by unauthorized parties, tampering, damage or misuse, are not covered. Products that have been modified or altered, or damaged by accident, fire, flood or theft, are not covered. This warranty does not cover normal maintenance or cleaning, or damage resulting from abnormal operating conditions or misuse, such as operating the equipment in an environment outside the specified operating range of temperatures, humidity, power supply voltage, etc., or using equipment with options or accessories not recommended by the manufacturer, or using equipment in a manner inconsistent with the instructions provided by the manufacturer.
